Used 1998 Subaru Legacy GT Features & Specs | Edmunds

Hi- My husband said that this morning when he took my car on an errand, grayish-black smoke came from under the engine block and there was a burning smell. For whatever reason, he checked the oil and said it was empty. I find this really odd, since the oil light never came on and we only had an oil change a couple of months ago, without a ton of driving since. He also said the clutch felt ...
