Magruder's American government 2006 (Book, 2006) [WorldCat ...

Magruder's American Government I personally own the 1953 36th edition of this book. It resembles a school textbook, and is packed full of American Government /historical information (including the Constitution) up to it's date of printing. I can especially appreciate the black and white photographs, along with some political cartoons.
