Amazon.com: butter

We churn butter for holiday dinners using my grandmother's Daisy churn. We have learned along the way. Thoroughly rinsing your butter will make it last longer -- otherwise it gets an off/sour taste. We put our butter in a wide, shallow bowl, pour ice water on it, work the ice water through with a wooden flat spatula and then drain.

Butter - definition of butter by The Free Dictionary

The cheese cloth can make the butter heat to liquid and you will lose some if you try to press the remaining liquid out. 4. Place your butter in a room tempeture dish and use a butter knife to whip the butter rapidly. This will remove the remaining liquid and place air in the butter giving it a lighter, creamier flavor and texture. 5.
