Known as "performance" or "authentic" assessment, these new tools have many benefits that standardized tests do not. For example: They systematically document what children know and can do based on activities they engage in on a daily basis in their classrooms.

### **Performance Assessment - Scholastic**

The culminating activity or product for performance-based learning is one that lets a student demonstrate evidence of understanding through a transfer of skills. A performance-based assessment is open-ended and without a single, correct answer, and it should demonstrate authentic learning, such as the creation of a newspaper or class debate.

### **6 Types of Performance-Based Activities**

Performance-based assessments are based on classroom instruction and everyday tasks. You can use performance-based assessments to assess ELLs' language proficiency and academic achievement through oral reports, presentations, demonstrations, written assignments, and portfolios.
