Getting Back into Place offers an even more generous approach to place. According to Casey, we connect with a place merely by being attentive to it, open to its possibilities. Source: Environmental History Review

Getting Back into Place: Toward a Renewed Understanding of ...

Indeed, the space we occupy has much to do with what and who we are. Yet, despite the pervasiveness of place in our everyday lives, philosophers have neglected it. Since its publication in 1993, Getting Back into Place has been recognized as a pioneering study of the importance of place in people's lives. This edition includes new material that reflects on the development of the field of environmental philosophy and presents Edward S. Casey's current thinking on place and home in our ...
