Marking is well in hand for the 15 million or so exam scripts that this year's students have produced. This begins soon after the first exams have ended and will carry on into early August. Increasingly, that marking takes place at a computer and no one examiner marks the whole of a student's script; instead they mark individual questions.

### Complete Surface Finish Chart, Symbols & Roughness ...

The required surface finishes are very much determined by the function and use of the component. Ship's propellers start out with fairly high surface finish standards but in actual use they erode pretty quickly. Optical and especially components used with X-Rays have some of the finest surface finish requirements achievable.

### Which is correct we are finished or we have finished? - Quora

I mostly agree with the previous answers but would state the differences slightly differently. "We have finished" means that we have completed the action or the task, and finished is a verb. "We are finished" uses finished as an adjective, but her...

### What is Difference Between 'I Have Finished' And 'I Finished'?

The sentence "I did not finish it yet" is incorrect because of mismatched tense. The phrase did not finish is in the past tense, while the word yet indicates that the task is ongoing (present tense), which creates a contradiction. The sentence "I have not finished it yet" is correct because the phrase have not finished is in the present tense and can be safely used with "yet".

### past tense - "...didn't finish...yet" versus "...haven't ...
