Is everything in your life already mapped out for you? Many people believe in fate. They believe in the fact that everything happens for a reason. Other people don't. They believe in free will and in the notion that your actions dictate your own future.

Is everything in your life already mapped out for you ...

God planned some of the events in our life... You do not have because you do not ask. You ask and do not receive, because you ask with wrong motives, so that you may spend it on your pleasures. (NASB) James 4:2-3. The passage simply says that God does not give us somethings because we have not asked. Everything in this life is not planned.

You Can't Control Your Future. I know that mapping out your future does not mean that things will happen this way. I can guarantee that there is no chance that my life will turn out exactly the way I envision it to. The beauty of life is in the unexpected and unplanned events. But I don't think it's bad to have a vision for my future anyway.
