Islam and Mammon: The Economic Predicaments of Islamism ...

Islam and Mammon: The Economic Predicaments of Islamism. The doctrine of "Islamic economics" entered debates over the social role of Islam in the mid-twentieth century. Since then it has pursued the goal of restructuring economies according to perceived Islamic teachings. Beyond its most visible practical achievement — the establishment of Islamic banks meant to avoid interest — it has promoted Islamic norms of economic behavior and founded redistribution systems modeled after early ...

Islam and Mammon: The Economic Predicaments of Islamism. Timur Kuran, 2004\, Princeton, NJ: Princeton University Press, 194 pages, index, \$28.00. Although Bernard Lewis is a deeper scholar of Islamic history, and the late Charles Issawi was a greater scholar of the economic history of Muslim societies, Timur Kuran has emerged in the last decade and a half as the leading scholar in the world of the rising field of Islamic economics.

Islam and Mammon: The Economic Predicaments of Islamism

What is Islamic economics? These two books provide the answers. Islam and Mammon, in six fine essays that appeared earlier in different scholarly publications, sets out the genesis of these ideas and criticizes, severely but still sympathetically, both the performance and the underlying logic of this Islamic approach to economic activity.

Kuran has also written on Islam and the Middle East, with an initial focus on contemporary attempts to restructure economies according to Islamic teachings. Several of his essays on this topic are included in Islam and Mammon: The Economic Predicaments of Islamism (Princeton University Press), which has been translated into Turkish and Arabic.

Timur Kuran - Wikipedia

"Endeavouring to implement Islamic economics," he writes in his book Islam and Mammon, both bankers and governments inevitably "recognize its unrealism." While the earliest experiments depended on genuine partnerships and risk-sharing, the bulk of today's Islamic transactions use instruments that differ only in name from what a conventional ...
