Fisherman and his Wife," Luba, a little girl, rescues a wren from a hunter's net, and the wren offers to grant her a wish. Luba, content, turns the wren down but is sent to search for it by her parents as soon as they hear of her good deed. The wren immediately grants their wish for a better house and fertile land, but those familiar with the tale ...

the joys of simplicity and the danger of greed. Full-color illustrations.

### **Luba and the Wren by Patricia Polacco - Alibris**

Luba and the Wren by Patricia Polacco sounds remarkably like The Magic Fish by Freya Littledale. In both stories an enchanted animal is spared from capture and offers to grant a wish. In both stories the person who makes the wish is in fact contented with nothing to wish for, but is badgered into making repeated wishes on behalf of someone else.
