Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

During this time, Gisthekey has built everything from a beacon to various other creations over the 500+ hours that he has spent in the same Minecraft world. Gisthekey was trying to create a zoo below his house and wanted a more exotic mob than a standard creeper in a cage. He used an enchanted trident, with the enchantment called channeling.
