Michel-Paul-Gui de Chabanon, an amateur musician and writer, seems to be the first writer to consistently apply the word revolution to French music. According to him, musical revolution occurred when an individual genius—in his opinion, composer Jean-Philippe Rameau—caused a sudden change in aesthetics.

A French (R)evolution in Music? - Age of Revolutions

I was convinced that a wide-scale, moral, and cultural revolution was at hand, one that could be from above or from below. I wrote: "Only the life-changing power of the gospel will ultimately change a society for good. Only new hearts will bring forth the new life that the oppressed so long for and desire.
