Books by L.G. Alexander (Author of Practice And Progress)
"Practice and Progress", the second in the four-volume series, has had the biggest impact on me. It taught me simple and elegant English. First of all, the reading passages are highly entertaining. All of them are so enjoyable to read, and thus I was lured to study them one after another.

Add Full Access to these programs to close the learning gaps for high-impact teaching.

Mathematics | Sadlier School
Student A has the same grade as Student B, but he's stuck. He doesn't get a complete grip on the learning material, and only masters some parts of it. This proves that a grade doesn't show the real value: the process of improvement or the learning progress. What better tool to track students' progress than BookWidgets?
