One of the best things teachers can do to improve their teaching is to look outside their own classrooms, argues teacher development adviser Jon Gore. Observing other teachers is a key part of development; it improves teachers' own self-awareness of their skills and also makes managers more effective at identifying areas for further growth.

5 Marks Questions: 1. Write an activity at discussion stage for the students in the teaching of a poem. In the discussion stage the teacher need not explain every word or every line. To make the students understand the meaning of the poem, simple questions may be asked. Poetry is for appreciation. So, understanding of the poem is important.
