Youtility Why Smart Marketing Is

Jay Baer's Youtility offers a new business approach that cuts through the clutter: marketing that is truly, inherently useful. If you sell something, you make a customer today, but if you genuinely help someone, you create a customer for life.

Youtility: Why Smart Marketing Is about Help Not Hype ...

Author Jay Baer says Youtility is replacing three former marketing strategies that are difficult to achieve and maintain: top-of-mind awareness (sustained messaging), frame-of-mind awareness (fulfilling existing demand at the time of purchase) and friend-of-mine awareness (reliance on viral).

Youtility - Why Smart Marketing is About Help Not Hype

In Jay's words, Youtility is useful marketing from the perspective of customers. It can be defined as: "... massively useful information, provided for free, that creates long-term trust and kinship between your company and your customers."

Youtility: Why Smart Marketing is about Help not Hype ...

Why Smart Marketing is about Help not Hype. The difference between helping and selling is just two letters. But those two letters are critically important to the success of business today. Youtility is marketing so useful, people would pay for it. It's a new marketing model for the age of information overload.

Youtility

Although the term "youtility" is a tad cutesie for my literary palate, it does correctly stress two key concepts: customer-centrism, and, usefulness. According to Jay Baer, "Instead of marketing that's needed by companies, Youtility is marketing that's wanted by customers."
